

### *Tax Sale Change*

*Effective 3/1/16, Warren County changed from a three year delinquent tax sale to a two year delinquent tax sale. In years past, taxpayers had until the morning of the tax sale to pay all but the two most recent years of taxes to get their parcel removed from the sale. Now, taxpayers must pay all but the most recent years tax bill by May 1st, otherwise they will have to pay all delinquent taxes including the most recent years tax bill plus any advertising costs incurred by the Friday before the sale to remove their parcel from the tax sale.*
