

Press Release – Warren County announces more road resurfacing projects

The County is pleased to announce plans to make improvements to the following roadways during the Summer of 2023:

- Resurface Westwoods Road from N. Stracks Church Road to the west city limits of Wright City, approximately 1.6 miles.
- Improving Pinckney Street from an existing rock road to a paved roadway, approximate length 0.9 miles, located just south of the City of Warrenton.
- Construction of a new box culvert and converting Carter Lane from a rock road to a new paved roadway, approximate length 2.1 miles, from Hwy OO to Hwy M

The County will be putting this project out to bid in the next few months.

During the summer of 2024, the County is tentatively planning to pave Godt Road, Klausmeir Road, Boone Monument Road, and Bluff Road.
